

# Mid - Atlantic Lipizzan Association

## Membership Renewal

We would truly appreciate your continued support and participation this year in joining our family by becoming a member of Mid-Atlantic Lipizzan Association. Generosity is easy when it supports the principles, activities and fun of an organization you enjoy, and whose sole purpose is to enhance your life with or near the horses you love. By joining your money can make a difference

Our purpose is to promote the Lipizzan Breed on a regional level, to educate the public about this noble breed.  
To encourage participation of Lipizzan owners in equestrian events.  
We currently have members up and down the east coast!
